

11 October 2019

Hi Everyone

Please find attached the Series Entry Form for the 2019-2020 Pirelli Porsche NZ Championship.

The round entry forms will be sent out next week but we need to finalise the Registrations before then. The Series Articles remain pretty much unchanged from last season and should be completed and circulated next week. Changes for 2019/2020 Season are to do with sponsorship, the removal of attendance points and the addition of Boxter Class specifications.

The first round of the 2019-2020 Pirelli Porsche NZ Championship is to be held at Pukekohe on November 09/10. To enhance the experience and provide more seat time for drivers, we are experimenting with a new format for this round. Instead of the usual format of one qualifying session and three sprint races, the first round will run under the following format.

- A fifteen minute qualifying session
- Race 1 will be 30 minutes in length and will have a compulsory pit stop
- Race 2 will be the normal 12 laps in length
- Race 3 will be 30 minutes in length and will have a compulsory pit stop

This new format will apply for this first Round at Pukekohe and possibly one other round later in the season. Other race meetings will be run under the usual "number of laps" format. The pit stop duration will vary based on the class. The 944 class will have a smaller pit stop. This will mean less lapping of the 944 class cars and closer racing for the other classes. Such a format will enhance the drivers experience and add interest to the race format. There will not be any need for additional pit crew or for refuelling. This new format will mean 1.5 hours racing over the weekend, instead of the normal 1.0 hour.

Attached is the Series entry form which you need to complete and email back to phili@ddnc.co.nz

Remember you can register for just one round or more than 1 round and you can change your mind during the season, as car and time commitment circumstances change. The cost to register is \$100 for one single round or \$300 for as many rounds as you wish to run at during the season. If you pay the \$300 series fee, you will receive a new series jacket as part of your registration. Please include your size in your registration comments please. The garments will be the same sizing as the series shirts last season. For any NEW drivers to the series, we will also provide a series shirt as per the one provided last season.

If you require tyres for the first round or before the first round, you need to email Nathan at Continental Cars as soon as you can on nathan.webber@continentalcars.co.nz

South Island Competitors Support:

The Pirelli Porsche NZ Championship would like to offer some assistance to help South Island drivers with the ferry crossing to the North Island. The Pirelli Porsche series will pay for a one off crossing in each direction up to a return total value of \$680 for an entry into a round of the Pirelli Porsche NZ Championship. This Inter-islander discounted sum allows for a tow vehicle and race trailer, driver and one other passenger on the Kaitake or Kaiarahi ferries. The booking contact can be provided to drivers with the discounted rates. This offer will include those South Island drivers who have already committed to competing in some rounds of the Pirelli Porsche Championship.

Also attached is a list of Porsche Race Cars that are available to be purchased. These cars are eligible to be run in the Series and we are happy to facilitate the exchange of vehicles between drivers and help new drivers into the series. If you need help with buying one of these cars, just contact any member of the Race Committee and we will provide any assistance required. If you are thinking of stepping up from Trackdays or know someone who may be thinking of doing this, get them to email us on philj@ddnc.co.nz and we will help them through the process.

So complete the forms, scan them and send them to philj@ddnc.co.nz as soon as you can.

Any questions just email philj@ddnc.co and the Race Committee will respond.

Thanks for your continued support and we look forward to seeing you on the grid in 2019/2020.

Your Pirelli Porsche NZ Championship Race Committee.

Appendix 2 – REGISTRATION FORM
2019/2020 New Zealand Porsche Championship

| A: Driver / Entrant Details | | |
